FLEET MAINTENANCE

How to keep the Maserati excellence alive.

Choosing Maserati means standing out from the crowd and travelling safely, to fully enjoy a unique driving pleasure.

Maserati Fleet Maintenance is the best solution for your business: a flexible and versatile programme that suits every and all needs. The programme is available for the Quattroporte Diesel and Ghibli Diesel (the petrol-fuelled versions Ghibli and Ghibli SQ4 are available only for the Swiss market).

You may start the programme when and as desired.

Maserati Fleet Maintenance may be activated at the time of purchase or before the first maintenance service.

We will inform you separately of the introduction of new models in the Fleet Maintenance programme.

MASERATI

FLEET MAINTENANCE

Maserati Fleet Maintenance is a programme that provides maintenance for your car up to a maximum of 5 years or 160.000 Km (100.000 miles). The programme is available in two different versions.

PREMIUM SERVICE

The "Premium Service" programme covers all the inspections, replacements of components and of consumables provided by the official Maintenance Schedule described in your car Owner's Manual.

PREMIUM SERVICE PLUS

In addition to the services offered by the "Premium Service" programme, "Premium Service Plus" provides replacement for some major components* (the front and rear brake discs, front and rear brake pads, driver and front passenger side wiper blades).

* The additional components included in the "Premium Service Plus" programme, may be replaced once only during the programme validity term.

Maserati also offers an "**Extra Service Package**", which may be bought separately and which includes the front and rear discs and brake pads. This package is available for both programmes.

**And now, just think about driving your Maserati.
We will take care of all the rest.**

Driving efficiency and safety.

The Maserati Fleet Maintenance programme includes all labours required for inspections and replacements of components, spare parts and consumables.

Clear and final costs.

The programme assures that the price of spare parts, inspections and labour remain unchanged. Furthermore, it ensures that all the maintenance operations will be performed by highly qualified personnel.

So much simpler.

The Maserati Fleet Maintenance programme can be tailored to your personal requirements. You may choose the annual mileage and the term of the contract, as per the table below.
