MASERATI MAINTENANCE

Drive the Excellence

The Maserati Maintenance program offers prepaid maintenance packages designed to help assure the greatest efficiency and safety.

Drive the Excellence is pure driving pleasure: fixed purchase prices, technical skills and Maserati genuine parts are the program highlights.

The Maserati Maintenance program is dedicated to the Ghibli and Quattroporte models.

You can choose the program that suits your requirements.

You may choose between two options, conceived to satisfy every and all needs: Maserati Premium Service and Maserati Premium Service Plus.

We will inform you separately of the introduction of new models in the Maintenance program.
