

MC Edition

MC Edition. Ready for a new lap.

Maserati Corse: two words that spell out performance, victory and audacious driving. The highest performing Levante, Ghibli and Quattroporte have been exclusively styled to showcase their intrepid spirit rooted in our genes.

The Maserati MC Edition is the latest lap in a perpetual race forward, the continuation of a story that began at the starting line of the Targa Florio over 95 years ago.

UNCOMPROMISING POWER, UNRIVALLED DRIVING PLEASURE

Commanding V8 engines are at the heart of the MC Edition Levante, Ghibli and Quattroporte. Extraordinary output pairs with hi-tech engineering and exceptional design to deliver the ultimate in driving pleasure, accompanied by that iconic Maserati sound.

POWERFUL DETAILS

The unrivalled Levante, Ghibli and Quattroporte MC Edition is available in Giallo Corse and Blu Vittoria. A proud tribute to Modena's city colours: yellow and blue.

The mighty soul of the MC Edition is made manifest through distinctive details. Leading the way is the MC Edition badge on the fender and B-Pillar. The exteriors in Black Piano are contrasted by glossy black finishing on the wheels to accentuate its intrepid personality. Blue brake callipers nod once again to our hometown.

RACING CHARACTER

The unique bond this edition shares with the city of Modena and the world of motorsports is embodied in the interiors too. There are carbon fibre elements in a riveting shade of blue and yellow. Blue stitching along the Black Pienofiore natural leather also features Denim inserts. To top it off, the headrest is embellished by the MC Edition logo and a dedicated badge takes front and centre on the console.
